Vision & Mission

Our Vision

To be the principal legal and related information provider in Africa.

Our Mission

To uplift the standards of legal research by providing up to date and relevant decision support information.

Core Values

Passion for Excellence

Sound decisions require quality information. At LawAfrica, we have the in-depth knowledge to assess, understand and deliver high quality legal information as quickly as possible, to guide you in making those important decisions. We work with dedication, handle our clients with dignity and enthusiasm and deliver results with pride.

Teamwork

Our people are our priority. Loyalty, support and professionalism among our team define why the team remains the greatest asset at LawAfrica. The team blends together professionally and personally to allow for unmatched creativity in the way we deliver our information and in the way we handle our clients.

Customer Satisfaction

At LawAfrica, we live by the time-tested truth that the customer is king. We strive to listen to our clients' information needs and work hard to fulfilling those needs. We understand that sharing information is crucial in spreading knowledge. Therefore, we are always glad when a client leaves with a smile and comes back again for more information.

Respect and Integrity

We are honest, transparent, and respectful and never compromise on the accuracy of information we deliver. Our actions are guided by integrity.

Who We Are

LawAfrica is the regional giant in legal and paralegal publishing, a specialty it has perfected for over a decade. It prides itself in serving professionals, governments, students and non-governmental organizations around the world, and is currently expanding into Africa's newest nation, the Republic of South Sudan.

Having been in the business for two decades, the firm has formidable relations with leading suppliers of law materials with long-term experience in both print and

electronic publishing, and data mining.

LawAfrica competently handles the consolidation, updating, indexing and publication of Statutes, Law Reports, Commentaries and Journals in both print and electronic formats for a wide clientele base.

Our Milestones

We've come along way since being founded in 1999. From a dream, to a passion and finally to a company working with a wide range of clientelle globally to publishing Legal Content

1999

- Founded by two lawyers, Developed the first online law database called LawAfrica Law Reports

2001

- Formed a book trading division to negotiate for global discounts on law publications globally
- Established Law Africa Publishing in Kampala, Uganda.
- First project in the Island of Zanzibar, a Tanzanian archipelago in the Indian Ocean.

2009

- 1st Partnership in Uganda leading to publication of the Uganda Law Society Reports.

2000

- Acquired rights to reprint the East-African Law Reports.
- Also created the first online presence for Law Society of Kenya.

2006

- Entered South Sudan following formation of its new business division.
- Set up the first Law Library in Southern Sudan at the Ministry of Legal Affairs and Constitutional Development.

**20
Years**

*As the Legal
Publishing Regional
Giant*

2010

- Published the first loose leaf set of laws for the Republic Of Tanzania

2012

Achieved two key milestones:

- Release of 3 new issues of Laws of Kenya and publication of its 100th commentary.

2014

- Developed the first comprehensive online law reports database

2011

- Released the East Africa Protectorate Law Reports and the East Africa Court of Appeal Reports
- Started in-house publishing of all its print production

2013

- Moved to its own premises increasing efficiency and versatility in its service delivery.

lawAfrica

Know. Do. Be More

LawAfrica is wholly owned by indigenous Africans whose motivation is to promote good governance and awareness of legal issues through provision of quality, accurate, up to-date and affordable legal information.

The management of LawAfrica directly reports to a Board of Directors. The LawAfrica Board of Directors is made up of men and women with diverse professional and business careers. The Board ensures that first-class corporate governance practices and procedures are followed and achieved within strict timelines. This in turn ensures quality of service and growth, both from financial and product offering perspectives.

Corporate Structure

**“Go to where
you have never been,
and you will create
something you have
never had”**
